 Tunis, Tunisia

SUMMARY

Passionate software engineer specialized in web and mobile development. Strong expertise in the TypeScript ecosystem (React, Angular, Ionic, Node.js) and solid experience with DevOps practices (CI/CD, Docker, Jenkins, SonarQube). With multiple professional experiences and concrete projects, I combine autonomy, rigor, and curiosity to deliver scalable solutions. I am eager to join a dynamic team to keep learning, contributing, and innovating.

PROFESSIONAL EXPERIENCE

January 2024
July 2024
